**Re: Northern Interior Cruising Committee Scholarships - No. 103 - \$500**

On behalf of the College of New Caledonia's students, faculty and staff, thank you for continued support of our student awards program. We are sincerely thankful for your generosity as we work to provide our students with a steppingstone to something greater. We are thrilled to advise that **Keana Lefebvre**, is the recipient of your award.

We will be distributing all award cheques to students via mail, with a request to provide a thank you letter by email to our office. All thank you letters received will be mailed to donors.

Our students need and appreciate your support more than ever as we walk together through these changing times. Thank you for helping with your continued donations.
