Tim Giesbrecht;

Thank you for choosing me as the recipient of the Northern Interior Cruising Committee Scholarship no. 103 for \$500.00. This award will be very helpful to me in my educational future at the College of New Caledonia and at the University of Northern British Columbia. I plan to study first year sciences at CNC before going on to UNBC to get my degree in forestry. I am looking forward to a career in forestry in my near future.

Sincerely,

Eric Matzner

Mr. Gresbrecht,

I was very happy to learn that I was a recipient of the Northern Interior Cruising Committee Scholarship for \$500. I would like to thank you for your generous support towards my forestry education.

I am a former Locomotive Engineer, and am looking to start a new career in forestry. Currently in the first year of the Natural Resources Environmental Technology Program at the College of New Caledonia, I will graduate in the spring of 2015 and become a Registered Forest Technician. After graduation, I hope to find full-time work in the forest industry to gain field experience, before pursuing my goal of becoming a Registered Professional Forester. By awarding me this scholarship, you have helped me be able to concentrate on my education.

Your generosity has helped me reach my goals and has inspired me to help others by giving back to the community. Hopefully one day I will be in a position to help other students just as you have helped me. Thank You.

Sincerely,

Tim Pritchard.
