In Attendance:

- Ron Alton – Vice Chair
- Chris David
- Phil Smith – Training Officer, via phone

- Tim Nowe

### **Agenda Items**

No comments regarding last meeting or minutes. Minutes accepted by all members present. Multiple members have heard good feedback from NICCC attendees. Ron hasn't heard any negative comment, which indicates some level of success.

General discussion on "What can we do to give back and/or have more of a year round presence?".

Main ideas:

- Get involved with schools
  - At the high school level there are opportunities with career week
  - At the college level – Potential for developing a internship program (in partnership with licensees and/or consultants)
- Training seminars in partnership with the ABCFP
- Certification Exam preparation course – 2 Day seminar for ATE and ATC

Tim left us with a couple question to think of before our next meeting. 1) How can we improve our support/communication with the members? 2) What can we do to promote cruising? (Tim to put in Email)

Meeting adjourned 5:30pm

Next Meeting set for ????? @ PGFD Main conference room

### **Discussion**

- Welcome back.
- We discussed the length for the AGM (1 or 2 days). The group decided 2 days was a good length of time
- 2014 AGM dates were set for May 7<sup>th</sup> and 8<sup>th</sup> with the 14<sup>th</sup> and 15<sup>th</sup> as backup days
- Discussed ways to make things more interesting. It was suggested that someone (I forgot to write down who) would contact the SICC and see if they have any good ideas

### **Action Items**

- Phil is going to email others to join
- Ron to talk to Tim regarding leading from out of province (this was done looks like David Morrow will lead the charge after this AGM)
- Chris to talk to PG licensees to see if there is any interest in joining (email sent no response received)
